

Sharing photos and videos of people and events at The Jar Community Church is a privilege for us, and we intend to respect and honor it.

We take lots of pictures and videos of baptisms, church celebrations, mission trips, Jarkids activities and community outreach events. We use these pictures to record, to promote, and to celebrate our church ministries. Pictures are used in presentations at church, in printed publications, on our church website and social media.

- Printed publications include brochures, invitations, posters and signs
- Online sharing includes church emails, website, Facebook pages and YouTube channel.

Media Use Policy

- Photos and videos are almost always of people in public spaces, and/or at public events.
- We will not knowingly post anything that would be embarrassing, objectionable or hurtful to anyone in a photo or video.
- We do not identify children or youth by name in the photos and videos we use in our online and printed publications.
- Any school names or locations on children's clothing will be blurred.
- To ensure the privacy of children and adults, the use of full names or personal identifying information requires verbal approval for adults and written approval for children from the parent or legal guardian.

- We will gladly remove any photo or video upon request from our online sites. If you see a photo that includes you or your child and would like it removed from the site, please notify the site administrator at media@thejar.org with the details.
